

MRS. SYNAN'S CLASS

SPAULDING SCHOOL, GURNEE IL

Reading

This week we worked on sequencing stories after we read them, to make it easier to remember. We read 2 amazing stories, "Bear's First Christmas" and "Only in Dreams." Please look for their sequencing activities to come home, you can have your child retell the story to you using these activities. We also learned about writing letters. Ask your child the different parts of a letter.

Math

This week we started chapter four. We will learn more about subtracting and which strategies we can use. So far we've talked about using a number line and counting back. Both strategies are an excellent way to subtract, but your child must find what works best for them.

Vocabulary

greeting closing education

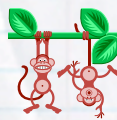

Turkey Trot Trophy

Turkey Trot

Did you hear we won the Turkey Trot? This is my 3rd year in a row! Thank you so much for ALL the parents that came out to support us, the kids were overjoyed!

STAR STUDENT

This week Xzavier was our star and a few weeks ago Julian was our star. Both boys enjoyed their time with Marshall. He is so fun to have around. It was nice to learn more about them! Thanks for sharing!!!
