

# MRS. SYNNAN'S CLASS

SPAULDING SCHOOL, GURNEE IL

## Reading

This week we talked about sequencing events from stories after we read them. This is a great way to make sure your child understands what they've read. We read Flat Stanley this week and then took 7 pictures and put them in order as they happened in the story. Please look for these, you can review the pictures when they come home. Speaking of Stanley, don't forget your child needs an address of a gracious host for Stanley. We are hoping to get him in the mail by next Friday! I can't wait to see where he goes and all the adventures he went on!!!

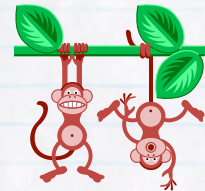

Valentine's  
Day  
Party

## Math

We finish chapter 6 by reviewing the days of the week and the months of the year. We learned 2 songs to help us easily remember them. Ask your child to sing them for you. Our next chapter is on counting to 100, including skip counting, even numbers and odd numbers.

at HOME

Keep working on

time...it's really helping!

STAR STUDENT

## Vocabulary

- New Words
- pod school of fish coast bay
- hazy air tangled

## Don't Forget

- 3/1 No School
- Week 3/2-3/5 No spelling words
- 3/2 Dr. Seuss' Birthday
- 3/3 Address for Stanley is due!
- 3/4 Kindergarten Concert

Twin Day!

Saniyah Lockett was our star this week. She showed us her DS as her show and tell, and told us how much she loves eating Mac & Cheese. I was excited to hear that she loves math and even going to PE class. Marshall had a great time with her and her family. Thanks for sharing Saniyah!!!
