

Dear Parents,

I can't believe it's already Holiday Break! It's been such a busy year so far. We have learned so much and done so many fun and exciting things. I look forward to a great 2010, while we continue on our journey together.

Thank you for all you've done to help your child succeed and flourish through their first few months of first grade. I wish everyone a happy, healthy and wonderful holiday. I will see everyone next year!

Happy Holidays,
Mrs. Synan

Don't forget to keep reading, even though it's break!
